“BIKER DOWN TESTIMONIAL

My name is Will Lucero, in May of 2020 I was involved in an accident on my 2004 Honda VTX 1800 with a semi truck. He cut me off on Colfax Ave west of Sheridan Blvd. I ultimately broke my tibial plateau in my left knee. Immediately biker down stepped in, took our grocery list and delivered almost at the same time I got home from the hospital. Laurie also set up a go fund me that 100% of the funds went to my wife Cindy and I since I could not work. The surgery was major and my leg will never be the same. We owe a huge amount of thanks to Laurie and biker down!
